Description

Part of DGGF

Investing Dutch Entrepreneurs

Description

A Dutch company plans to invest in the development of flower production to be sold in Europe, together with their local daughter.

They will invest in flowerbulbs, machinery and tools, and working capital. The proposed DGGF Starter loan to the Dutch company has a duration of less than 1,5 years.

The estimated impact on local employment is the creation of 65 new permanent jobs, as well as 48 seasonal jobs by in 4 years.

This project will contribute to the Sustainable Development Goals: 8 (Decent Work) and 12 (Responsible Production and Consumption).

Country of investment

Rwanda

Risk category

The investment is scaled category B in terms of CSR-risk.

A CSR (Corporate Social Responsibility) action plan will be drafted, which is based upon the OECD and IFC performance standards. The action plan aims to mitigate the risk on environmental aspects, working conditions and development aspects for the local community.
