Description

Part of DGGF

Investing Dutch Entrepreneurs

Description

The investment will be done by a Dutch company with a subsidiary in Vietnam active in the electrical engineering. Currently the subsidiary in Vietnam rents a facility. Investments need to be made to increase the working environment and to handle the growth of the local company. Therefore the company decided to build a new facility.

The growth of the company contributes to SDG 8 (+32FTE local and +8FTE in NL) and SDG 9.

The project will contribute to the Sustainable Development Goals: 8 (Decent work & Economic growth) and 9 (Industry, Innovation & Infrastructure).

Country of investment

Vietnam

Risk category

The investment is scaled in category B in terms of CSR-risk.

An Environmental and Social Action Plan (ESAP) will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
