## Description

### Part of DGGF

Investing Dutch Entrepreneurs

### Description

A Dutch company plans to invest in the export and import of sustainably produced green coffee beans, together with their local daughter.

They will invest in trade working capital; inventories, trade receivables and prepayments to coffee producers / farmers. The proposed DGGF Starter loan to the Dutch company has a duration of three years.

The estimated impact on local employment is the creation of app. 600 local jobs and knowledge transfer by training their employees.

This project will contribute to the Sustainable Development Goals: 1 (No poverty), 5 (gender equality), 8 (Decent Work), 12 (Responsible Production and Consumption), 13 (Climate action) and 15 (Life on land).

### Country of investment

Amongst others Guatemala, Nicaragua, Colombia, Ethiopia, Uganda, Cameroon.

### Risk category

The investment is scaled in category B in terms of CSR-risk.

An Environmental and Social Action Plan (ESAP) will be drafted, which is based upon the OECD and IFC performance standards. The action plan aims to mitigate the risk on environmental aspects, working conditions and development aspects for the local community.
