Description

Part of DGGF

Investing Dutch Entrepreneurs

Description

The Dutch company has successfully set up a production facility for the cultivation of amaryllis flower bulbs. In order to meet the growing demand, the business needs to expand. DGGF intends to support this expansion and the additional investments needed by providing a loan.

The project contributes to direct and indirect employment (18 additional FTEs employed and 50 extra seasonal workers). The company pays a lot of attention to knowledge transfer.

The project will directly contribute to the Sustainable Development Goals (SDG's): 8 (decent work), 12 (responsible production and consumption) and 13 (climate action).

Country of investment

Peru

Risk category

The investment is scaled in category B in terms of CSR-risk.

An Environmental and Social Action Plan (ESAP) will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
