

## Project Disclosure

1. **Client / Project name:** Ministry of Economy and Finance of Togo / DRA23TG01 Coastal Protection WACA Togo
2. **Client's website (if available):** <https://finances.gouv.tg/>
3. **Country of Investment:** West Africa & MENA Region - Togo
4. **Sector:** Water & infra
5. **Signing date (Date of the main transaction document):** 08 December 2023
6. **Total Invest Financing:** EUR 25M (DRIVE EUR 23M + DRIVE TA EUR 2M)
7. **Source of Funding:** DRIVE 2023
8. **Environmental & Social Risk Category (A, B, C):** B

### 9. Project Description:

A Grant Arrangement has been signed with Ministry of Finance of Togo, providing: a DRIVE grant of 23M to complete the budget for the urgent coastal protection works in Togo, designed and supervised by the World Bank under the WACA program; and a DRIVE TA grant of EUR 2M for monitoring. The project areas are under immediate threat from coastal erosion and rising sea levels, and will focus on completing WACA interventions in Togo, primarily consisting of groynes and sand replenishments.

### 10. Impact/ target SDGs:

This project is made in the context of the extensive WACA programme, which is expected to yield a significant impact on coastal populations in West Africa by improving infrastructures, reducing coastal erosion, protecting livelihoods, but also supporting knowledge dissemination, governance, systems, policies, and regional integration. It is expected to have impacts on SDGs 8, 11, and 13.
