Investing Dutch Entrepreneurs

Description

A Dutch company which develops and produces hatchery equipment, has planned to expand its production facility in the Ukraine. DGGF intends to provide a term loan to finance a large part of the investment.

The foreseen investment will create ~100 direct jobs in production. Moreover, the company is producing more animal friendly systems which are sold worldwide, contributing to improved animal welfare. The innovative systems also consider climate effects and are developed while considering efficient use of energy and resources.

The project will contribute to the Sustainable Development Goals: 8 (decent work and economic growth), 13 (climate action), 2 (no hunger) and SDG 12 (Responsible Consumption and Production).

Country of investment

Ukraine

Risk category

The investment is scaled in category B in terms of CSR-risk. An Environmental and Social Action Plan (ESAP) will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
