### Description

The development and realization of a concentrated solar power installation in Spain.

### Part of DTIF

Investing Dutch Entrepreneurs

### Description

A Dutch company will develop and set up a Concentrated Solar Power Installation in Spain (Jerez de la Frontera). This installation will meet the energy needs of a local company active in the production of baby food. The proposed DTIF Starter financing to the Dutch company concerns a 5-year loan.

The project will contribute to the Sustainable Development Goals: 7 (Affordable & Clean energy), 8 (Decent work & Economic growth), 13 (Climate action)

**Country of investment**

Spain

**Risk category**

The investment is scaled in category C in terms of CSR-risk.

An Environmental and Social Action Plan (ESAP) will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
