Description

Part of DGGF

Investing Dutch Entrepreneurs

Description

A Dutch company plans to invest in the development of an e-health monitoring platform, together with their local daughter. They will invest in expanding the local team and operational costs. The proposed DGGF Starter loan to the Dutch company has a duration of 5,5 years.

The estimated impact on local employment is the creation of app. 60 local jobs.

This project will contribute to the Sustainable Development Goals (SDG's): 3 (Good Health & Well-being), 8 (Decent work & Economic growth) and 13 (Climate Change).

Country of investment

Nigeria

Risk category

The investment is scaled in category C in terms of CSR-risk.

An Environmental and Social Action Plan (ESAP) will be drafted, which is based upon the OECD and IFC performance standards. The action plan aims to mitigate the risk on environmental aspects, working conditions and development aspects for the local community.
