### Description

#### Part of DGGF

Investing Dutch Entrepreneurs

#### Description

A Dutch family-owned floriculture company specialising in chrysanthemums and Santini chrysanthemums, intends to expand its production activities in Kenya. The company plans to develop a new 62-hectare site in phases. The expansion is expected to enable lower-cost and year-round production for customers in Europe and other potential new markets.

The project will contribute to the Sustainable Development Goals:  
SDG8 (Decent work & Economic growth), SDG12 (Responsible Consumption & Production) and SDG13 (Climate action).

#### Country of investment

Kenya

**Risk category**

The investment is scaled in category B in terms of CSR-risk.

An Environmental and Social Action Plan (ESAP) will be drafted, which is based upon the OECD and IFC performance standards, which aims to reduce the risk of non-compliance with these standards.
